👁️ November is Eye Donation Month, and we're proud to partner with @IowaLionsEyeBank to help facilitate the gift of sight! For more than 70 years, Iowa Lions Eye Bank has helped restore and preserve sight for people around the world!

Did you know that almost anyone can be an eye donor? One eye donor can restore sight to two people through transplantation and untold thousands of people through research into blinding eye disorders.

Our team plays an important role in making that possible. From making timely eye, organ and tissue donation referrals to supporting our patients and their families, our staff is dedicated to making sure your final wishes are fulfilled after death occurs.

In 2025, 981 Iowans became cornea and eye donors, helping Iowa Lions Eye Bank provide ocular tissue to surgeons for 806 sight-restoring corneal transplants.

Thank you to our dedicated staff and the people who help make these gifts of sight possible! 💙💚 **It only takes a minute to leave a legacy! Sign up as an eye, organ and tissue donor today!**

👁️ This November, we're celebrating #EyeDonationMonth with our partners @iowalionseyebank

Did you know:

💡 Almost anyone can be an eye donor.

💡 One person can restore sight to TWO people through corneal transplantation and untold thousands of people through research into blinding eye disorders.

💡 For more than 70 years, Iowa Lions Eye Bank has helped restore and preserve sight for people around the world!

💙💚 To our patients and healthcare heroes: THANK YOU for helping make the gift of sight possible!

Please consider being an eye, organ and tissue donor and letting your family know about your wishes.

LINKEDIN:

November is National Eye Donation Month, and we're proud to recognize the vital role our hospital plays in restoring and preserving sight, working with Iowa Lions Eye Bank to honor our patients' wishes to become eye donors if they pass away.

In 2025, 981 Iowans became ocular donors, and Iowa Lions Eye Bank provided corneas for 806 sight-restoring transplant surgeries.

We are so proud of our staff members who help ensure the opportunity for donation is never overlooked.

It only takes a minute to decide to donate, but the impact can last a lifetime. Please consider signing up as an eye, organ and tissue donor and let your family know about your wishes.
